ATU 1505 SCHOLARSHIP FUND

We are pleased to introduce this year's Honorees John Callahan and Bob Hykaway in recognition of their dedication. There will be two (2) \$500.00 scholarships awarded for post-secondary education purposes.

John CALLAHAN - began his career at Winnipeg Transit as an Apprentice Mechanic on September 12, 1988.

He became involved in the Union and served on the Executive Board and shot right up to President Business Agent until he was called to serve as International Vice President, a position he currently holds.

Bob HYKAWAY - began his career at Winnipeg Transit as an Apprentice Mechanic on September 16, 1974.

He became involved in the Union and became our first Executive Vice President and eventually took the chair as President Business Agent - a role he took pride in. But he still had a calling to go further so he pursued the position of International Vice President until his retirement.

Both of these men have made incredible changes to our Union!
Applications, questionnaires and rules are available to be picked up at the Union Office Monday to Friday 8-4 or online at www.atu1505.ca.
